

Join Us for the CSKT Mussel Walk on Flathead Lake!

THURSDAY APRIL 12th, 2018

WHY:

Invasive mussels in Flathead Lake is not inevitable, but it will take vigilance and a community effort to protect our watershed!

WHAT:

Participate in five interactive activity stations...

- Mussel Identification, Growth & Infestation
- Mussel Prevention & Detection
- How to Inspect with Success!
- How to CLEAN, DRAIN, & DRY!
- A close look at native shoreline species

*End the day with a shoreline **MUSSEL WALK!***

TIME:

9:15am to 1:30pm

WHERE:

Salish Point or Flathead Lake Biological Station

WHO:

Middle school students & community members

For more details check out our Facebook page 'CSKT Mussel Walk'
